# Compulsory quarantine arrangement in Designated Quarantine Hotels for travellers from countries outside China

# If you are currently in other countries outside China and planning to travel to Hong Kong

#### If you arrive in Hong Kong on or after 22 December, please note that -

- The Government will put in place a new measure with effect from 22 December to mandate travellers arriving in Hong Kong from countries outside China to undergo 14-day compulsory quarantine at Designated Quarantine Hotels.
- Therefore, you will be required to stay at a Designated Quarantine Hotel during the quarantine period.
- You have to take designated transport to travel from the airport to Designated Quarantine Hotels.

# **Compulsory quarantine arrangement in Designated Quarantine Hotels for travellers** from countries outside China

#### On the way to Designated Quarantine Hotel by designated transport

- There will be staff on each coach to ensure your arrival at the Designated Quarantine Hotel that you have booked.
- You are not allowed to get off in the middle of the journey or choose to take other means of transport to Designated Quarantine Hotels on your own.
- Each coach will be cleansed and disinfected after every single journey and will only carry half of the maximum capacity of passengers.

## After arriving at and checking in at Designated Quarantine Hotel

- As you will undergo compulsory quarantine in the hotel room, you must stay inside the room at all times until completion of the 14-day quarantine.
- Without the permission by an authorised officer, no one is allowed to visit you and you are not allowed to leave the room during the quarantine period.
- Please follow all the hotel's regulations and guidelines during your stay.
- On the 11th day of the quarantine period, the Department of Health will arrange staff to distribute a testing kit to you at your hotel and will collect back the specimen on the 12th day. You will be allowed to leave as scheduled only if the result is negative.
- As you are required to provide specimen for testing again on the 19th day of your arrival in Hong Kong, the Department of Health will arrange staff to distribute another testing kit to you before you check out from the hotel for collection of your specimen at home by yourself.

## After completing 14-day quarantine

 You can return home directly after checking out and return the specimen collected on the 19th day to a designated location in accordance with the instructions given.
