

Legislative Council Q15

Annex A

The Administration has launched two public-private partnership (PPP) pilot projects, through the Hospital Authority, covering hospital services (excluding specialist out-patient and general out-patient services) as follows

Pilot Project	Partner	Target Client	Estimated number of beneficiaries in 2011-12
Cataract Surgeries Programme	Registered private ophthalmologists in Hong Kong	Cataract patients	3 000
Haemodialysis PPP Programme	Private service providers selected through open tender	End-stage renal disease patients	100

Legislative Council Q15
