Note:

1. Figures have been rounded up to the nearest hundred.
2. Figures in "Number of participating students (man-times)" are based on the school reports available. We are not able to provide figures for the 2006/07 school year since school reports were not compiled upon revision of the mode of delivery of the Programme in the school year concerned. The school reports for the 2012/13 school year are yet to be completed.
