- Note 1 : Some Higher Diploma programmes confer qualifications at multiple exit levels. Students may choose to exit the programmes after completing relevant modules. The above table excludes graduates with qualifications of exit levels other than Higher Diploma.
- Note 2 : Excluding the former child education Higher Diploma programmes supported by special funding of the Education Bureau.
- Note 3 : With the implementation of the new academic structure, there were no Secondary 5 graduates in 2011 for admission to Higher Diploma programmes in the 2011/12 academic year. Hence, there was a decrease in the total number of planned places and students enrolled.
