Table 2: Remedial measures taken in respect of the beaches managed by the LCSD where sand loss occurred as a result of typhoons or rainstormsYear: 2009-2011

Beach	Details of the Remedial Measures	Number of Remedial Measures	Manpower and Expenses Involved
Golden Beach	Sand replenishment and construction of gabion walls and groynes*	1	LCSD commissioned CEDD to implement remedial measures at a cost of about \$7.2 million after Typhoon Hagupit hit Hong Kong in 2008.

Year: 2009-2010

Beach	Details of the Remedial Measures	Number of Remedial Measures	Manpower and Expenses Involved
Upper Cheung Sha Beach	Sand replenishment and construction of groynes*	1	LCSD commissioned CEDD to implement remedial measures at a cost of about \$7.7 million after Typhoon Hagupit hit Hong Kong in 2008.
Stanley Main Beach	Sand replenishment *	1	LCSD commissioned CEDD to implement remedial measures at a cost of about \$1.9 million after Typhoon Hagupit hit Hong Kong in 2008.
Deep Water Bay Beach	Clearance of gravel and replenishment of sand*	1	LCSD commissioned CEDD to implement remedial measures at a cost of about \$0.5 million after Typhoon Hagupit hit Hong Kong in 2008.

Year: 2010

Beach	Details of the Remedial Measures	Number of Remedial Measures	Manpower and Expenses Involved
Shek O Beach	Sand levelling	1	Sand levelling was carried out by beach staff and no additional cost was incurred.

Year: 2012-2013

Beach	Details of the Remedial Measures	Number of Remedial Measures	Manpower and Expenses Involved
Cafeteria Old Beach	Depositing four layers of geo-textile sand bags at both	1	LCSD commissioned CEDD to implement remedial measures at a

	sides of the stormwater outfall on the beach to direct the flow of water into the sea		cost of about \$1.9 million.
--	---	--	------------------------------

Year: 2014#

Beach	Details of the Remedial Measures	Number of Remedial Measures	Manpower and Expenses Involved
Repulse Bay Beach	Sand levelling	2	Sand levelling was carried out by a contractor at a cost of about \$99,000.
Deep Water Bay Beach	Sand levelling	1	Sand levelling was carried out by beach staff and no additional cost was incurred.
South Bay Beach	Sand levelling	1	Sand levelling was carried out by a contractor at a cost of about \$50,000.
Stanley Main Beach	Sand levelling	1	Sand levelling was carried out by a contractor at a cost of about \$50,000.
Shek O Beach	Sand levelling	1	Sand levelling was carried out by a contractor at a cost of about \$50,000.
Hung Shing Yeh Beach	Sand levelling	1	A contractor will be engaged to carry out sand levelling works. The cost is yet to be finalised as the quotation exercise is now underway.
Cafeteria Old Beach	Sand levelling at the stormwater outfall of the beach	1	Sand levelling was carried out by a contractor at a cost of about \$50,000.

* Short-term improvement measures recommended in the two study reports mentioned in part (2) above.

All the works carried out in 2014 are small-scale sand levelling works.
