

Proposed lift installation at footbridge (No. KF102) across Hung Hom South Road near Hung Ling Street and Whampoa Street

- (i) construction of two lifts at the existing footbridge (No. KF102) across Hung Hom South Road near Hung Ling Street and Whampoa Street;
- (ii) construction of elevated platforms to connect the proposed lifts in (i) with the existing footbridge (No. KF102);
- (iii) permanent closure and conversion of a section of the existing carriageway in Whampoa Street into footpath;
- (iv) demolition and conversion of sections of the existing planters adjacent to the proposed lift at the junction of Hung Ling Street and Cheong Tung Road South into footpaths; and
- (v) ancillary works including drainage, lighting, electrical and mechanical works.
