

## Annex 2 to Legislative Council Question No 15

In the past five years (i.e. from 2010 to 2014), the breakdown of site inspections carried out and the prosecutions taken by the Planning Authority against the unauthorised developments in the 46 enclaves incorporated into DPAs (Remark 1), and areas zoned “Green Belt” (Remark 2) are provided below:

Year	Enclaves		Green Belt	
	No. of Site Inspections	Summons Laid (No. of Cases)	No. of Site Inspections	Summons Laid (No. of Cases)
2010	29	5(1)	606	20(6)
2011	33	-	664	39(8)
2012	58	-	701	40(8)
2013	44	-	694	24(14)
2014	61	1(1)	707	9(14)

\* Remark 1: Among the 53 enclaves already covered by statutory plans, the enforcement power of the Planning Authority is only confined to those 46 enclaves incorporated into DPAs.

\* Remark 2: They only include the “Green Belt” zones outside the enclaves.
