

Table (1) : Number of water dispensers provided for the public use in government facilities

Department	Number of water dispensers/ respective percentages of total number					
	Fountain type water dispensers		Non-fountain type water dispensers		Sub-total/percentage	
	Cold or room temperature water	Hot and cold water	Cold or room temperature water	Hot and cold water	Fountain-type water dispensers	Non-fountain type water dispensers
Leisure and Cultural Services Department	1 193	40	2	10	1 233/ 98%	12/ 11%
Social Welfare Department	0	0	0	81	0/ 0%	81/ 71%
Others	26	4	0	21	30/ 2%	21/ 18%
Total	1 219	44	2	112	1 263	114
Providing cold or room temperature water (fountain and non-fountain type water dispensers)					1 221/ 89%	
Providing hot and cold water (fountain and non-fountain type water dispensers)					156/ 11%	
Total					1 377	

Table (2) : Number of water dispensers provided for the public use by public organisations

Public Organisations	Number of water dispensers/ respective percentages of total number					
	Fountain type water dispensers		Non-fountain type water dispensers		Sub-total	Percentage
	Cold or room temperature water	Hot and cold water	Cold or room temperature water	Hot and cold water	Fountain-type water dispensers	Non-fountain type water dispensers
Hospital Authority	0	0	27*	277*	0/0%	304/ 94%
Airport Authority	69	0	0	19	69/ 100%	19/ 6%
Total	69	0	27	296	69	323
Providing cold or room temperature water (fountain and non-fountain type water dispensers)					96 / 24%	
Providing hot and cold water (fountain and non-fountain type water dispensers)					296 / 76%	
Total					392	

* Regarding the non-fountain type water dispensers of the Hospital Authority, three of the dispensers that supply cold or room temperature water and ten of the dispensers that supply both hot and cold water are mains-fed water dispensers that draw water directly from the inside service.

Table (3): Quantity of waste plastic bottles disposed in landfills (in tonnes)*

	2010	2011	2012	2013	2014
Clear PET plastic beverage/non-beverage bottles	31 311	25 497	27 288	32 561	40 738
Coloured PET plastic beverage/non-beverage bottles	10 269	10 821	21 100	14 488	7 312
Other plastic bottles (including beverage and non-beverage bottles)	20 617	21 477	30 656	27 932	27 071
Total quantity of waste plastic bottles	62 196	57 795	79 043	74 981	75 121

* The figures are rounded off.
