

Steering Committee on Qualifications Framework Fund

Terms of Reference

The Steering Committee advises the Secretary for Education on :

- (1) the overall strategy for making use of the Qualifications Framework Fund (the Fund) as a vehicle to support the sustainable development and implementation of the Qualifications Framework;
- (2) the scope and parameters of schemes, initiatives and activities to be covered by the Fund; and
- (3) any other matters that may be referred to the Steering Committee by the Education Bureau concerning the policy and administration of the Fund.

Where necessary, the Steering Committee also advises the Trustee of the Fund on the formulation of policies for and monitoring of the investment of the Fund.

In discharging its functions, the Steering Committee may set up sub-committees, conduct studies, engage professional services and co-opt members as and when necessary.
