

Annex 1 to Legislative Council Question No 13

As for the West Kowloon Transfer Station, there is no significant difference in terms of the amount and type of waste received before and after the implementation of the Waste Diversion Plan, details are as follows:

Average Daily Waste Intake

| | Municipal Solid Waste (tonnes) |
|---|--------------------------------|
| Before implementation (Jan-Mar 2015) | 2,701 |
| After implementation (Jan-Mar 2016) | 2,614 |
