

## Annex

### **The statistics on the use of the Hospital Authority's private services, and the revenue so generated and apportioned to the universities in the past five years**

	Number of private in-patient bed-days at the Hospital Authority (HA) ('000)	Private specialist out-patient (clinical) attendance ('000)	Amount of revenue from private services of HA hospitals apportioned to the HA (\$ million)	Amount of revenue from private services of HA hospitals apportioned to the universities (\$ million)
2016-17	24.7	66.4	376	189
2015-16	23.3	67.7	355	184
2014-15	25.1	66.8	379	184
2013-14	22.0	64.1	349	174
2012-13	23.6	65.3	277	144

Note: The attendances of private patient services are projected on the billing information. The computation basis is different from that for official statistics. The number of private in-patient bed-days do not include those for the civil servants and the HA staff under their respective medical benefit schemes.
