50-59	9.9	* [*]	* [*]
60 or above	3.8	* [*]	* [*]
Overall	26.1	* [*]	0.6 [2.3]

Notes:

* Figures are not released due to relatively large sampling error.

For (ii) number of job seekers, starting from 2014, General Household Survey has not collected information on the desired industry to work of unemployed persons.

Figures less than 3 000 were estimated based on a relatively small sample. Due to relatively large sampling error, the figures should be interpreted with caution.
