

## Annex

Regarding the procurement of stores, services (excluding consultancy services and works services) and revenue contracts, during the period from January 1, 2018 to December 31, 2018, information of the contracts for which tender assessment was based on marking schemes with technical weightings at or above 60% adopted by the procuring departments, and approved by the Central Tender Board (Note 1) (CTB) and the Government Logistics Department (GLD) Tender Board (Note 2) are listed in Table 1.

The two tender boards do not have the breakdown of routine or non-routine procurements. Procurements of value not exceeding \$5 million are approved by the Departmental Tender Committees (Note 3) of individual procuring departments. GLD does not have the information of the technical weighting adopted in these procurements.

Notes:

(1) Responsible for approving procurements of value exceeding \$30 million each.

(2) Responsible for approving procurements of value exceeding \$5 million but not exceeding \$30 million each. Since April 1, 2019, the approving authority of the GLD Tender Board has been adjusted to cover procurements of value exceeding \$10 million but not exceeding \$30 million each.

(3) Responsible for approving procurements of value not exceeding \$5 million each. Since April 1, 2019, the approving authority of the Departmental Tender Committees has been adjusted to cover procurements of value not exceeding \$10 million each.

Table 1: Technical and price weightings of the procurements

Technical / price weighting	Number of procurements	Value of contracts awarded (\$ million)
100/0	0	-
90/10	0	-
80/20	5	42.7 - 102.9
70/30	0	-
60/40	5	6.7 - 95.8

During the period from January 1, 2018 to December 31, 2018, the number of procurement of stores, services (excluding consultancy services and works services) and revenue contracts through different tendering modes and approved by the CTB, GLD Tender Board and Departmental Tender Committees is listed in Table 2.

Table 2: Tenders conducted through different modes

Contract value (\$ million)	Open tendering	Selective tendering	Single or restricted tendering	Prequalified tendering
Below 5 (Note)	349	0	8	0
5 - 10	138	1	6	0
Above 10	251	0	12	0

Note: GLD does not have the further breakdown of these procurements.

The relevant statistics of the e-Tender Box (ETB) system and Procurement and Contract Management System (PCMS) are as follows:

Table 3: Information on utilisation of the e-Tender Box system

Year	Government departments using the service	Total number of tender
2016	7	211
2017	10	183
2018	10	188

Table 4: Government Logistics Department (GLD) contracts handled and awarded via the Procurement and Contract Management System (Note)

Year of award	Value of GLD contracts (\$ million)	Value of government contracts (\$ million)	Percentage of value of GLD contracts in the value of government procurement
2016	2,631.9	15,983.1	16.5%
2017	4,206.9	15,697.6	26.8%
2018	4,160.3	20,422.7	20.4%

Note: The Procurement and Contract Management System handles and awards all GLD contracts procured via tendering procedures.

Information regarding the procurements completed via the e-Procurement Programme in the past three years is as follows:

Table 5: Procurements conducted via e-Procurement Programme of the Office of the Government Chief Information Officer (OGCIO)

Year	Value of procurements conducted via e-Procurement Programme of OGCIO (\$ million)	Value of procurement (\$ million)	Percentage of value of procurements conducted via e-Procurement Programme in the value of government procurements of value not exceeding \$1.4 million each
2016	832.4	7,914.1	10.5%
2017	959.2	8,199.6	11.7%
2018	1,465.3	8,832.3	16.6%
