¹ For bars/pubs, places of public entertainment and clubs/night clubs, persons working at the premises and performers must wear masks all the time except when there is some form of partition which could serve as effective buffer between such persons/performers and customers (or for PPEs, some form of partition or adequate distancing which could serve as effective buffer between such persons/performers and customers/the audience).

² Wearing a mask except when having a bath or shower (bathhouse) and consuming food/drink (PPE, party room, club-house, club/night club and karaoke establishment).

³ The following infection control recommendations must be applied to showering facilities: (a) arrange shower heads in use in a way to ensure there is a distance of at least 1.5m or some form of partition which could serve as effective buffer between them; (b) carry out cleaning and disinfection of the shower cubicles at least once every four hours; (c) carry out regular environmental cleaning and disinfection on the facilities including storage cabinet at least daily; and (d) forbid sharing of personal items such as towel.

⁴ Any facility involving steam or vapour (except as part of eating, drinking or preparation of food or drink) must not be used in a party room.
