

8 May 2021

Details of Compulsory Testing Notices

(Persons who have completed a COVID-19 vaccination course¹ would be taken to have complied with the requirements set out in the compulsory testing notices)

Any person who had been present at any of the below specified premises for more than two hours at any time during the period from April 25 to May 8, 2021 (including but not limited to full-time, part-time and relief staff, students and visitors), has to undergo testing by May 11, 2021. If persons subject to compulsory testing choose to undergo testing using the specimen bottles distributed by the Centre for Health Protection, they have to return the specimen bottle with the sample by May 13, 2021. If persons subject to compulsory testing have previously undergone testing between May 6 and May 8, 2021, they would be taken to have complied with the requirements set out in the compulsory testing notice.

- (1) Yan Chai Hospital Shan King Kindergarten/Child Care Centre, adjacent to Community Hall, Shan King Estate Phase 1, Tuen Mun, New Territories, Hong Kong
- (2) Hong Kong Christian Service Shek Kip Mei Nursery School, Unit 201-218, 1/F, Block 23, Shek Kip Mei Estate, Woh Chai Street, Sham Shui Po, Kowloon, Hong Kong

¹ If a person subject to compulsory testing has completed a COVID-19 vaccination course, he/she would be taken to have complied with the requirements set out in this Notice regardless of whether or not the test was conducted for complying with this Notice. For both the Sinovac COVID-19 vaccine (CoronaVac vaccine) and Fosun Pharma/BioNTech COVID-19 vaccine (Comirnaty vaccine), completion of the vaccination course in general means having received two doses of COVID-19 vaccine 14 days ago, i.e. having received the second dose of COVID-19 vaccine on or before April 27, 2021. For persons previously infected with COVID-19, they may be deemed to have completed the COVID-19 vaccination course after receiving one dose of Comirnaty vaccine or one dose of CoronaVac vaccine 14 days ago, i.e. having received one dose of COVID-19 vaccine on or before April 27, 2021.
