

HONG KONG WEBINAR

Opportunities for Turkish companies in the Guangdong - Hong Kong - Macao Greater Bay Area (GBA)

Hong Kong is the two-way platform linking companies from the GBA and around the world. An international financial, transportation and trade hub as well as an international centre for asset management, risk management and international legal and dispute resolution, Hong Kong plays an important role in the GBA Development and is the gateway for Turkish companies to take part in the opportunities created by and in the GBA.
