Targeted group	Vaccination situation	Testing frequency	Condition for receiving free test
persons who provide on-campus services, and persons who frequently visit school campuses <sup>9</sup>			<b>vaccination because of health reasons</b> ; required to present relevant medical certificate and registration form stamped by the school to the CTC staff for verification purpose
<b>Working staff of CTCs and mobile specimen collection stations</b>			
➤ Frontline staff including supervisors, swabbers, registration staff and reception staff	<b>Completed</b> a vaccination course	Every 3 days	To present relevant vaccination record and document proof stamped by testing employer to the CTC staff for verification purpose
	Not yet completed a vaccination course (i.e. received the first dose, or received the second dose but not yet passed 14 days)	Daily	
	Not yet received the first dose	Daily	<b>Only applicable to staff who are unfit to receive vaccination because of health reasons</b> ; required to present relevant medical certificate and document proof stamped by testing employer to the CTC staff for verification purpose

Note:

- (i) When arriving at the CTCs at the designated time slot, eligible persons should present identity document used at the time of booking (such as Hong Kong identity card or passport) and the SMS booking confirmation.
- (ii) Starting from August 2, all government employees have been subject to the vaccination in lieu of regular testing (VRT) arrangement. With effect from September 1, save for those who are unfit to receive COVID-19 vaccination because of medical conditions supported by a medical

<sup>9</sup> Teaching staff include principals, teachers and teaching assistants. Non-teaching staff include school executive officers, assistant clerical officers/ clerical assistants, janitors, cooks, school bus drivers, school light bus drivers and escorts (commonly known as nannies), laboratory technicians, braille staff, teacher assistants, workshop attendants, artisans, social workers, educational psychologists, speech therapists, physiotherapists, occupational therapists, occupational therapy assistants, nurses, wardens, the related grades of boarding section staff such as social work officers, social work assistants and welfare workers. Persons providing on-campus services include, for example, group instructors. Persons who frequently visit school campuses include, for example, volunteers.

certificate, all government employees (covering civil servants and full-time or part-time government employees appointed on non-civil service terms) who have not received their first dose of a vaccine should take the regular polymerase chain reaction-based nucleic acid tests for COVID-19 (PCR tests) at CTCs outside working hours and pay for these tests at their own expense.

- (iii) The Hospital Authority has made reference to the arrangement for government employees and announced that with effect from September 1, all staff members, except for those vaccinated or those who can present medical certificates, will have to undergo biweekly PCR tests outside working hours and at staff members' own expenses. To further minimise the risks of high exposure groups, with effect from October 27, healthcare staff handling COVID-19 cases in the North Lantau Hospital Hong Kong Infection Control Centre (HKICC) have to undergo PCR tests every three days. The HKICC has already set up testing stations to implement the relevant arrangements.
- (iv) In general, completing a vaccination course involves having received two doses of CoronaVac or Comirnaty COVID-19 vaccine at least 14 days ago. For staff members aged 17 or below and employed in compliance with the Employment Ordinance (Chapter 57) who have received one dose of Comirnaty vaccine at least 14 days ago are deemed to have completed a COVID-19 vaccination course.
