

Proposed Nim Wan Road (South)

- (i) construction of a single two-lane carriageway (tentatively named as “Nim Wan Road (South)”), footpaths and amenity areas of approximately 2.4 kilometres long, connecting the existing road junction of Yung Long Road and Nim Wan Road to the road junction at the entrance of the existing T • PARK;
- (ii) reconstruction of a section of Nim Wan Road;
- (iii) permanent closure and conversion of sections of the existing footpaths into carriageways;
- (iv) permanent closure and conversion of a section of the existing access road into carriageway, footpath and amenity area;
- (v) permanent closure of a section of the existing access road;
- (vi) permanent closure and conversion of a section of the existing verge into slope;
- (vii) demolition and conversion of sections of the existing slopes into carriageways, footpaths, verge and amenity areas;
- (viii) demolition and reconstruction of sections of the existing slopes;
- (ix) temporary closure and reconstruction of sections of the existing carriageways and footpaths, and a section of the existing verge;
- (x) temporary closure of sections of the existing carriageways, footpaths and verge; and
- (xi) ancillary works including site formation, geotechnical, landscaping, water, drainage, utilities diversion, street lighting and electrical and mechanical works, installation of traffic aids and street furniture, and construction of retaining walls and slopes.
