

## Annex 2

Relevant information of the investigation and design for public housing developments conducted by CEDD and funded by Head 705 and Head 707 of CWRP from 2018 to 2022 is as follows:

Year of commencement	Project location	Potential number of public housing units to be provided	Latest progress	Estimated year of completion
2018	Yuen Long South Development, First Phase	About 4 300 (Note 1)	Completed	2022 (Completed)
2019	Kwu Tung North and Fanling North New Development Area (Remaining Phase)	About 30 500 (Note 1)	Investigation and design in progress	2023 (tentative)
2020	Hung Shui Kiu/Ha Tsuen New Development Area Second Phase Development	About 20 300 (Note 1)	Investigation and design in progress	2023 (tentative)
2021	Cha Kwo Ling Village (Note 3)	About 4 500 (Note 1)	Investigation and design in progress	2024 (tentative)
	Artificial Islands in the Central Waters	About 105 000 to 182 000 (Note 1)	Investigation and design in progress	2024 (tentative)
	Tung Chung New Town Extension, Remaining Phase	About 700 (Note 1)	Investigation and design in progress	2024 (tentative)
	San Tin / Lok Ma Chau Development Node	About 21 700 (Note 2)	Investigation and design in progress	2023 (tentative)
2022	No new project has been commenced at the moment			

Note 1: These projects are at investigation and design stage. As the development of these projects would be affected by various factors (e.g. zoning application and consultation with local communities), the potential public housing production may be revised.

Note 2: The project is now expanded to become San Tin Technopole under the "The Northern Metropolis Development Strategy", and the potential public housing production may be revised.

Note 3: These public housing projects will be undertaken by HKHS.
