

Annex 1

Relevant information of the feasibility studies for public housing developments conducted by CEDD and funded by Head 705 and Head 707 of CWRP from 2018 to 2022 is as follows:

Year of commencement	Project location	Potential number of public housing units to be provided	Recommendation of study/latest progress	Estimated year of completion
2018	No new project commenced in 2018			
2019	Diamond Hill Service Reservoirs	To be confirmed (Note 1)	Study completed, feasibility of housing development confirmed	2022 (tentative)
	Fanling Golf Course Site	Over 10 000 (Note 1)	Feasibility study in progress	2022 (tentative)
2020	No new project commenced in 2020			
2021	No new project commenced in 2021			
2022	No new project has been commenced at the moment			

Note 1: Investigation and design for these projects need to be further conducted. As the development of these projects would be affected by various factors (e.g. zoning application and consultation with local communities), the potential public housing production may be revised.
