

Annex II

	Complaints about touting activities received in the past three years
2020	90
2021	740
2022 (as at 30 April) #	70
Total :	900

In light of the severity of the fifth wave of pandemic, most of the leisure and cultural venues were closed in the first four months of 2022, and hence the figure is comparably lower than that in previous year.
