**Hon Tony TSE's motion on
“Expediting the achievement of the ‘healthy city’ target”**

Wording of the Motion

That this Council urges the Government to expedite the achievement of the ‘healthy city’ target by providing support in various areas including healthcare, dining, living and commuting, for example, in respect of city development, actively promoting healthy building design, facilitating the repair of old buildings and the renewal of old districts, providing more green and public spaces, improving transport planning, encouraging the use of green and low-carbon transport, as well as providing diversified facilities in recreation and sports, care and healthcare, while promoting healthy and sustainable eating habits, thus enabling Hong Kong people to lead a healthy, easy and happy life.
