

城市售票網新售票系統部分新增功能圖示

Illustrations of certain features of the new URBIX ticketing system

(1) 虛擬排隊功能及實時輪候資料顯示

Virtual queuing function with display of real-time queuing information

The screenshot displays the URBIX (城市售票網) virtual queuing system interface. At the top left is the URBIX logo and '城市售票網'. At the top right is a '技術支援' (Technical Support) button with a phone icon. The main heading is '等候登入 Waiting for Access' followed by '極地尋龍 3D (11月2-30日)'. Below this is a movie poster for '極地尋龍 DINOSAURS of ANTARCTICA 3D'. To the right of the poster, the text reads: '您在隊伍中・請耐心等待' (You are in the line - please wait patiently), '正在等候進入網站・請勿關閉此頁・輪候成功後・頁面會自動進入網站' (Waiting to enter the website - please do not close this page - after queuing successfully, the page will automatically enter the website), and 'You are in the line'. Below this is a warning: 'Waiting to enter the website, please do not close this page, the page will redirect to HomePage automatically when you turn'. A blue progress bar shows '5 分鐘 / Minutes' with a clock icon. Below the bar, it says 'The estimation is for reference only / 此資料僅作參考'. Further down, it displays '前方人數' (Number of People Ahead) as '4,010'. Below this are two lines of ticket availability: '當前節目可售總票數: 814,060' and '當前節目剩餘可售票數: 613,886'. The last line shows the update time: '最近更新時間 Updated at 3:25PM'. At the bottom left is a '離開隊伍' (Quit the line) button. Below the button, it says '您將會失去配額' (You will lose your position) and 'You will lose your position'. The bottom right corner of the screenshot is labeled '樣本 Sample'.

(2) 可作多層放大縮小的互動式座位表（只有英文說明）
