

城市售票網新售票系統部分新增功能圖示 Illustrations of certain features of the new URBTIX ticketing system

(1) 虛擬排隊功能及實時輪候資料顯示

Virtual queuing function with display of real-time queuing information

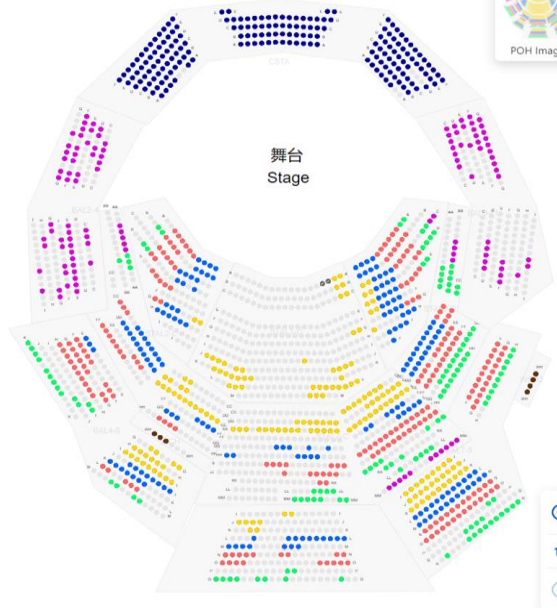

The screenshot displays the URBTIX website's virtual queuing interface. At the top left is the URBTIX logo and '城市售票網'. At the top right is a '技術支援' (Technical Support) icon. The main heading is '等候登入 Waiting for Access' followed by the event title '極地尋龍 3D (11月2-30日)'. Below the title is a movie poster for '極地尋龍 DINOSAURS of ANTARCTICA 3D'. The central message reads '您在隊伍中・請耐心等待' (You are in the line) and '正在等候進入網站，請勿關閉此頁，輪候成功後，頁面會自動進入網站' (Waiting to enter the website, please do not close this page, the page will redirect to HomePage automatically when you turn). A blue progress bar shows '5 分鐘 / Minutes' with a clock icon. Below the bar, it states 'The estimation is for reference only / 此資料僅作參考'. The '前方人數' (Number of People Ahead) is displayed as '4,010'. Additional information includes '當前節目可售總票數：814,060', '當前節目剩餘可售票數：613,886', and '最近更新時間 Updated at: 3:25PM'. A '離開隊伍' (Quit the line) button is located at the bottom left. At the bottom center, it says '您將會失去配額' (You will lose your position). The bottom right corner is labeled '樣本 Sample'.

(2) 可作多層放大縮小的互動式座位表（只有英文說明）
