**Hon YUNG Hoi-yan's motion on  
"Modernizing the Government's governance"**

**Wording of the Motion**

That President XI Jinping has put forward 'four proposals' for the SAR Government, including further improving governance and earnestly addressing people's concerns and difficulties in daily life; in order to 'realize, safeguard and advance the fundamental interests of all our people' as mentioned in the report to the 20th National Congress of the Communist Party of China, the Government should strive to achieve the modernization of its governance, including making good use of talents, coordinating communication among various government departments, and receiving and following up on public complaints efficiently, thereby enhancing its credibility and the public's satisfaction of its performance.
