Notes:

1. The table above includes programmes with English titles involving the keywords “Cult”, “Chin”, “Hist”, and “Lite”; but excludes certain specific programmes (such as “Bachelor of Arts (Honours) in Horticulture and Landscape Management”).
2. The number of students are provisional as at late March 2023. The final figures may vary.
3. Other than the programme offered by The Hong Kong Academy for Performing Arts, which is publicly-funded, all other programmes are self-financing.
4. Self-financing TPg programmes cover Postgraduate Certificate with a minimum duration of one year, Postgraduate Diploma, Master’s and Doctoral degree programmes.
5. Self-financing RPg programmes cover MPhil and PhD programmes.
6. Figures for students of self-financing RPg programmes include fully self-financing RPg students; and if RPg students are financed by the UGC-funded universities using both UGC and external funds, they will be counted towards different sources on a pro-rata basis. Therefore, figures may not add up to the corresponding totals.
