Total				7 424	6 396 (164)	6 232	\$218,424,893.20	

Note 1: The figures include applications under vetting, pending vetting and pending submission of supplementary documents required or responses from applicants to enquiries from the implementation agent.

Note 2: The number of applications withdrawn by applicants on their own accord upon approval of funding (if applicable) has been deducted from the figures.

Note 3: Under the Industry Support Programme, proposals on large-scale training, publicity and research projects submitted by Chinese medicine-related organisations are individually subject to consideration by the Advisory Committee on Chinese Medicine Development Fund in accordance with the established assessment criteria.
