| | | project will also recruit rehabilitated youth to participate in different aspects, enabling them to reflect on the experience of personal growth in retrospect and broaden the mind to the benefit of their rehabilitation process. |
| The WEMP Foundation Limited | # | In collaboration with a local youth-oriented musical group, a tour performance of a youth musical will be conducted in 100 schools in the forthcoming two years. The musical crew members will cooperate with the youth development team of the sponsored organisation throughout the project to share with student and teacher participants the process and experience of the local youth musical group in pursuing their goals and aspirations with a view to arousing young people's passion and interest in the pursuit of dreams. The project will also provide young people with training and workshops to facilitate them to explore and realise their potentials, while fostering positive thinking in the process. Moreover, through watching the performances, parents' understanding of and support to young people in pursuing their dreams will be reinforced. The project will establish a solid foundation and provide robust support to young people's future development during their pursuit of dreams. |
