**Hon YIM Kong's motion on
"Giving full play to the role of China-capital enterprises to promote
Hong Kong's integration into the overall development of the country"**

Wording of the Motion

That since Hong Kong's return to the motherland, China-capital enterprises have been playing an increasingly important role in the fields of economic development and livelihood services in Hong Kong; China-capital enterprises enjoy the strong support of the motherland and the advantages of operating across geographical areas and regimes, and they are willing and capable of making greater contributions to Hong Kong; in this connection, this Council urges the Government to adopt proactive measures to fully mobilize the initiative of China-capital enterprises and attract more such enterprises to come to Hong Kong for development, with a view to further supporting them to assist in the economic and social development of Hong Kong and promote Hong Kong's better integration into the overall development of the country.
