**Hon Joephy CHAN's motion on
“Establishing a model worker selection mechanism in Hong Kong”**

Wording of the Motion

That in order to promote the spirit of labour and manifest the value of labour, this Council urges the Government to support the establishment of a model worker selection mechanism in Hong Kong which is widely recognized by society, so as to further promote the spirit of model workers and the spirit of craftsmanship, thereby stimulating Hong Kong's impetus for advancing from stability to prosperity, enhancing new quality productive forces, and establishing a new type of labour relations.
