Explanatory Notes

¹ The information contained in this report is up-to-date as at the end of the quarter concerned.

² For residential developments, it is the date estimated by the Authorized Person to be the material date within the meaning given by the Residential Properties (First-hand Sales) Ordinance. For non-residential developments, it is the date estimated by the Authorized Person on which an Occupation Permit is issued.

³ A residential unit means a flat or a house.

⁴ Given the requirements in the land grant, and that the developer failed to provide an estimated date of obtaining the occupation permit for the residential units as well as a concrete timeline for launching the pre-sale of the units, the application was considered pre-mature and thus rejected.

⁵ The Pre-sale Consent (Residential) application was treated as withdrawn due to a substantial change in the subject matter of the application.
