Notes :

1. '-' denotes "nil".
2. The figures in the above table refer to full-time equivalent student enrolment, including both full-time and part-time programmes.
3. Place of origin of non-local students is determined having regard to their nationality / place of residence.
4. Some universities do not offer UGC-funded sub-degree / taught postgraduate programmes.
5. Sub-degree programmes in CityU and PolyU have been phased out since the 2022/23 academic year, with 6 and 85 students enrolling in such programmes respectively in 2023/24 academic year.
6. Figures of UGC-funded research postgraduate (RPg) students refer to students funded by UGC within their normative study periods. If RPg students are funded by universities using both UGC and external funds, they will be counted towards different funding sources on a pro-rata basis. Therefore, figures may not add up to the corresponding totals.
7. In the above table, figures for the "equivalent percentage points relative to local student places" refer to the non-local student enrolment relative to the total number of local student places at that level of study, while figures for the "percentage of total no. of students" refer to the percentages of local / non-local students among the total number of students at that level of study.
8. Universities can admit both local and non-local students under the RPg student places allocated to them. Therefore, the non-local student enrolment ceiling is not applicable to RPg programmes. In 2023/24 academic year, there were 6 400 student places for UGC-funded RPg programmes.
9. Figures may not add up to the total due to rounding.
10. Abbreviations:

CityU	City University of Hong Kong
HKBU	Hong Kong Baptist University
LU	Lingnan University
CUHK	The Chinese University of Hong Kong
EdUHK	The Education University of Hong Kong
PolyU	The Hong Kong Polytechnic University
HKUST	The Hong Kong University of Science and Technology
HKU	The University of Hong Kong
