Notes:

- [1] Self-financing RPg programmes cover both full-time and part-time Master of Philosophy and Doctor of Philosophy programmes, the number of part-time students is calculated in headcount. Relevant numbers of students include fully self-financing RPg students; and if RPg students are financed by University Grants Committee (UGC)-funded universities using both UGC and external funds, they will be counted towards different sources on a pro-rata basis. Figures may not add up to the corresponding totals due to rounding.

- [2] Self-financing TPg programmes cover both full-time and part-time Postgraduate Certificate with a minimum duration of 1 year, Postgraduate Diploma, Master's and Doctoral degree programmes, the number of part-time students is calculated in headcount.
- [3] As there is no quota restriction on the admission of non-local students (including MMT students) to self-financing RPg and TPg programmes, the relevant percentages are not set out in the above table.
- “-” Denotes that the relevant programmes were not offered by the institution in that AY.
