**Hon LUK Chung-hung's motion on
"Protecting platform workers"**

Wording of the Motion

That our country attaches great importance to the protection of workers engaged in new forms of employment, and the relevant reform contents set out under items 43 and 44 of the Resolution of the Central Committee of the Communist Party of China on Further Deepening Reform Comprehensively to Advance Chinese Modernization may serve as useful reference for the SAR Government; therefore, this Council urges the SAR Government to expeditiously regulate online food and goods delivery platforms to provide platform workers with reasonable protection, so as to help promote high-quality and full employment.
