#### Notes

- (1): The footpaths leading to Chung Hom Kok Beach had been damaged by landslides, causing temporary closure of the beach from September 8, 2023 onwards. The beach was reopened on October 7, 2024.
- (2): There is neither beach facilities nor stationed staff at the Rocky Bay Beach. Thus, the attendance of this beach is not available.
- (3): Lido Beach and Casam Beach are located within the boundaries of the same area.

# Hairpin Beach, Rocky Bay Beach and Gemini Beaches are not open to the public for swimming as they are not provided with beach facilities such as beach building and shark prevention net.
