Remarks: The Social Welfare Department does not maintain information on the average utilisation rate of NSCCP.

Note 1 The Service operators are required to provide a minimum of 53 service places in each district (i.e. the total number of places in all 18 districts should be at least 954). Service operators may flexibly increase the number of home-based child care service places beyond this requirement so as to meet the actual service demand.

Note 2 Each service place may be utilised by more than one child.
