

**Consultation Group on LawTech Development**

**Terms of Reference**

To advise and assist the Department of Justice in respect of the promotion and development of the LawTech in Hong Kong in furtherance of Hong Kong's status as a local and international legal and dispute resolution services centre, including but not limited to –

1. Considering and advising on ongoing and new initiatives and the necessary supporting infrastructure for the promotion, use, development and adoption of technology to enhance innovation, efficiency and capabilities of the legal sector.
2. Considering and advising on the establishment and development of standards, guidelines and codes of practice on the use of technology in the legal sector.
3. Conducting such studies, reviews or research relating to technological advancements relevant to the legal sector as may be required.
4. Considering and dealing with such other matters as may be incidental to any of the matters stated above.
