**Hon Edmund WONG's motion on
“Comprehensively reviewing the SAR Government's use of resources to
optimize its fiscal structure”**

Wording of the Motion

That as Hong Kong's economy is currently at the stage of transformation, coupled with heightened uncertainties in the international political and economic environment, the SAR Government's financial revenue continues to be affected; in this connection, this Council urges the SAR Government to comprehensively review the use of resources by various policy bureaux, departments and public organizations, with a view to enhancing administrative efficiency, saving administrative expenditure and exploring ways to boost government revenue, thereby holistically optimizing the SAR Government's fiscal structure.
