

Annex IV

Major medical equipment in the Central Government-Aided Emergency Hospital and their commissioning dates

Equipment	Quantity	Commissioning Date
Magnetic Resonance Imaging Scanner	1	April 2023
Computed Tomography Scanner	2	
Central Physiological Monitoring System	1	October 2023
Physiological Monitor	31	
Centrifuge	3	
Mass Spectrometer	1	
Molecular Analyser	1	
Microbial Analyser	1	
Incubator	6	
Vortex Mixer	4	
Biological Safety Cabinet	4	
Defibrillator	2	
Freezer	1	
Microscope	1	
Electrocardiogram Machine	1	
Computed Tomography Scanner	1	December 2023
Ultrasound Scanner	2	
Tandem Mass Spectrometer	1	April 2024
