

**Numbers of notification of drainage work or underground pipework that require workers to enter confined spaces received through the notification system and inspection made by LD from 2022 to 2025**

Year		Drainage Services Department	Housing Department	Highways Department	Airport Authority Hong Kong
2022	Number of Notification	1659	129	304	801
	Number of Inspection	73	46	24	58
2023	Number of Notification	785	162	276	551
	Number of Inspection	100	36	25	116
2024	Number of Notification	968	236	432	1043
	Number of Inspection	89	35	16	48
2025 (up to May)	Number of Notification	571	82	204	405
	Number of Inspection	56	18	10	30

Note 1: The same project may involve multiple locations, dates or times of confined space work that require multiple notifications to LD.

Note 2: Depending on the complexity of the workplace, inspections may sometimes be carried out by more than one officer. Inspections conducted jointly by two officers will be counted as two inspections.
