		65+	183 526	98 941	2 059	284 526	30 638
		Sub-total	675 408	283 983	6 315	965 706	332 438
	Households with more than one household head		216 577	114 591	1 348	332 516	107 722
	All households		891 985	398 574	7 663	1 298 222	440 160

- Notes: (1) In population censuses/by-censuses, the household head refers to a person acknowledged as such by other members of the household, and may not necessarily be the owner of the owner-occupied accommodation. Household may report more than one household head.
- (2) Figures exclude domestic households living on board vessels.
