

Median monthly income and median monthly mortgage payment and loan repayment of owner-occupier domestic households⁽¹⁾, 2016 and 2021⁽²⁾

Year	Owner-occupier domestic households	
	Median monthly income (HK\$)	Median monthly mortgage payment and loan repayment ⁽³⁾ (HK\$)
2016	32,600	9,500
2021	35,170	12,000

- Notes: (1) Figures exclude domestic households living on board vessels.
- (2) The above figures are extracted from the results of the 2016 Population By-census and the 2021 Population Census conducted by the C&SD.
- (3) Figures only include domestic households owning the quarters they occupy with mortgage payment or loan repayment. Domestic households with mortgage payment or loan repayment paid by non-household members are not included in the above table.
