| 4:45pm – 4:50pm | Closing remarks                                                                                                                                                              |
| 4:50pm – 5:00pm | Group photo session                                                                                                                                                          |

For those interested organisations, please provide details (including name, position, contact number and email address) of the attending representative(s) together with a list of enquiries that you may wish to raise in the briefing session, sign and return the **Enrollment Form (Appendix 2)** on or before **31 October 2025 (Friday)**.

We shall acknowledge and confirm enrollment of the proposed representatives in attending the briefing sessions and provide further details through the email addresses provided. Please note that only representatives receiving confirmation will be arranged to attend the briefing sessions. We shall notify all confirmed attendees through the email should there be any changes to the briefing session schedule/details.

We look forward to your participation and the opportunity to exchange views on the project with you.

Should you require further information regarding the briefing sessions, please contact the Briefing Session Coordinator, Ms. Chelsea Zheng:

## Appendix 1

### Key Information of the Smart and Green Mass Transit System in East Kowloon (SGMTS-EK) Project

The SGMTS-EK is about 7 kilometres long with nine stations. The termini will be connected to the MTR Choi Hung Station and Yau Tong Station respectively, with alignment passing through Choi Wan, Shun Lee, Shun On, Sau Mau Ping, Po Tat, Ma Yau Tong and Lam Tin North, serving over 300 000 residents in Kwun Tong uphill areas and facilitating their commuting to and from other areas in Kowloon and Hong Kong.

**Authorised Scheme for Smart and Green Mass Transit System in East Kowloon**

**Appendix 2**  
**Enrollment Form of Briefing Session on Smart and Green Mass Transit System**  
**in East Kowloon (SGMTS-EK)**
