Note:

- Figures are rounded to the nearest hundred and may not add up to the total due to rounding.
- The figures only include service figures captured from the DHC/DHCE information system, and do not include those relating to medical laboratory tests.
- Chronic Disease Co-care Pilot Scheme and Women's Health Services were launched on 13 November 2023 and 24 January 2025 respectively.
- As different services are provided by the 11 District Health Centre Expresses, the attendance figures are not directly comparable.
