SCHEDULE

Description of the undertaking and the manner in which the foreshore and sea-bed will be affected by the proposed undertaking

Foreshore and sea-bed affected

Approximately 240 hectares of foreshore and sea-bed situated at Lung Kwu Tan as delineated and shown edged red on a plan, numbered TMM4717, deposited in the Land Registry.

- (i) Ground improvement and filling of the sea-bed to form approximately 145 hectares of land;
- (ii) Reprovisioning of a submarine outfall of approximately 2 400 millimetres in outer diameter and approximately 1 000 metres in length from the shore of new land by ground improvement and dredging of approximately 10 metres below the sea-bed which will be reinstated by backfilling with crushed rocks; and
- (iii) Construction of seawall.

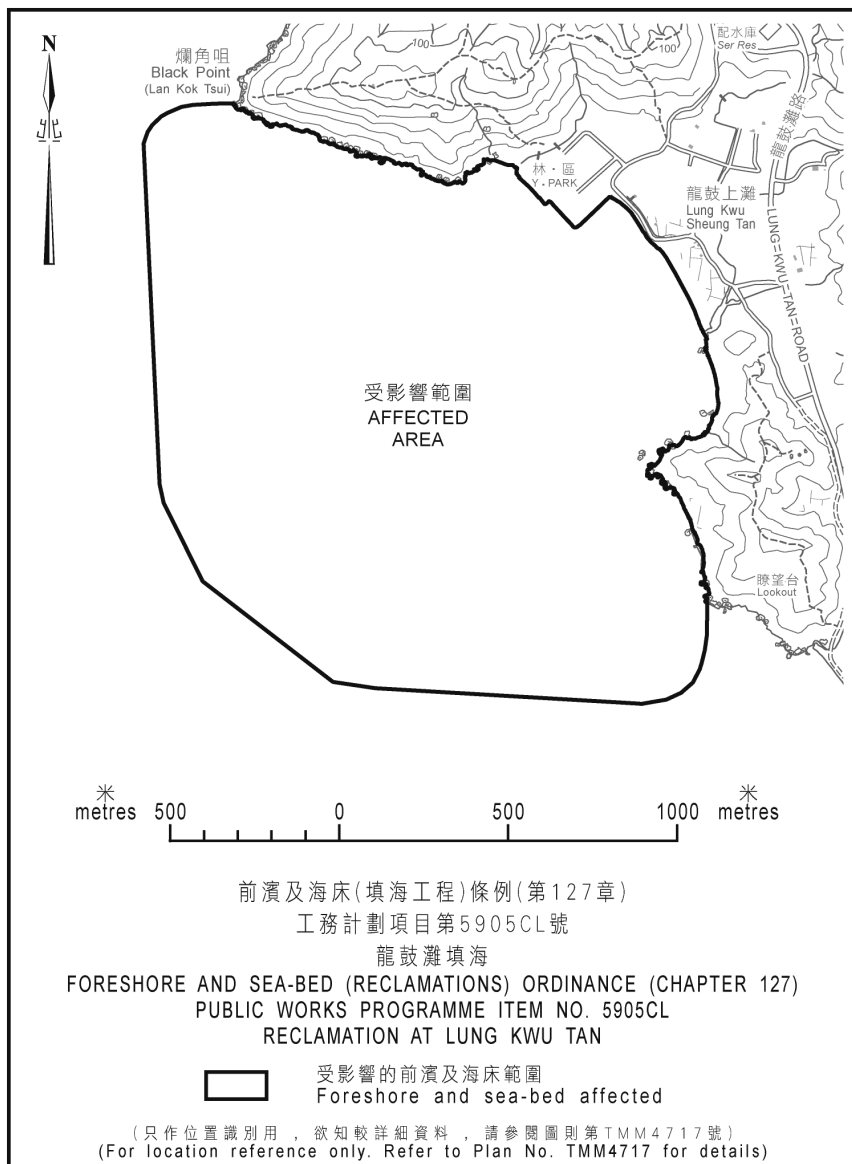

The area of foreshore and sea-bed affected is shown on the plan on the next page for identification purposes only. The area is more particularly shown on the plan numbered TMM4717 above referred to.

Personal Information Collection Statement

Any information, including the personal data, submitted to the Director of Lands in connection with any written objections/comments will be used for the processing of the objections/comments and other related purposes. The provision of any information, including the personal data, other than the information as required under section 6(2) of the Foreshore and Sea-bed (Reclamations) Ordinance (Chapter 127) is voluntary. However, it may not be possible to process the objections/comments if such information, including the personal data, is not sufficiently provided.
