<sup>@</sup> The classification of job categories may be subject to revisions upon verification of information from employers.

<sup>\*</sup> LD has implemented ESLS since 4 September 2023. The vetting of applications received may be completed after 31 December 2025, and hence the number of imported workers approved only reflected the results of some of the applications received during the same period.

<sup>#</sup> Falling within the 26 job categories generally excluded from labour importation under SLS.

<sup>^</sup> Falling within the unskilled or low-skilled posts generally excluded from labour importation under SLS.
