

**Statistical breakdowns of 1 000 successful food premises
by district distribution and type of restaurant**

Category	District / Breakdown		Number of successful food premises	Percentage in total number of successful food premises (%)
District distribution (the numbers of successful food premises in individual districts are in brackets and sorted in descending order)	Hong Kong & Islands (Wan Chai District, Central and Western District, Eastern District, Islands District, Southern District)		343 (111, 106, 52, 45, 29)	34.3
	Kowloon (Yau Tsim District, Mong Kok District, Kowloon City District, Sham Shui Po District, Kwun Tong District, Wong Tai Sin District)		326 (105, 67, 52, 52, 35, 15)	32.6
	New Territories (Sai Kung District, Yuen Long District, Sha Tin District, Tsuen Wan District, Tai Po District, Tuen Mun District, Kwai Tsing District, North District)		331 (72, 62, 61, 56, 27, 26, 17, 10)	33.1
Type of restaurant	Restaurants	Chinese	309	30.9
		Non-Chinese	450	45.0
	Fast Food Shops		9	0.9
	Bars		50	5.0
	Coffee / Tea Shops		159	15.9
	Hotels		23	2.3

Note: Figures above include only the successful balloting applicants, but not the eventually approved food premises. Successful food premises must complete the subsequent procedures to obtain formal approval. If applicants fail to complete the procedures within the specified period, or give up the eligibility for other reasons, other applicants on the waiting list will be arranged to fill the vacancies according to the sequential order from the ballot result.
