Dec	12	13	46	49	105	110	164	175	-	-
Total	101	111	620	658	1 417	1 497	1 542	1 631	637	664

Remarks: The number of prosecutions exceeds the number of non-compliance cases because the CFS institute more than one count of prosecution for a single non-compliance case if it involves more than one food category (e.g. illegal importation of both game and meat in the same instance).
