**Hon Nixie LAM's motion on
“Enhancing the governance efficacy of civil service”**

Wording of the Motion

That this Council urges the Government to enhance the governance of the civil service, nurture in it a strategic mindset and a role underpinned by proactive commitment in action, enhance its innovation capability, accelerate the digitalization of government services, and strengthen the oversight of government outsourced services for quality improvement, thereby better enhancing the efficiency and quality of government services, supporting the Government in formulating and implementing Hong Kong's first five-year plan, and responding to the long-term expectations of society and the public towards the Government.
