[1] ***Based on clinical needs, services are provided without limitation on the number, items and types.***

[2] ***"Package Charges" fee model: A fixed, overall package price covers all services required for the treatment process.***

[3] ***"Simplified Itemised Charges" fee model: Medical services are categorised into tiers based on their complexity, with uniform pricing applied to services within the same tier.***

[4] ***"Itemised Charges" fee model: Charges are based on the items used and their actual usage.***
